

DEVELOPING SUPERVISORS

Webinar

Friday, March 29, 2024, 2:00 p.m.-3:00 p.m.

Are your supervisors prepared for success? Can they effectively communicate, inspire teams, collaborate, and think strategically for the company's benefit? These are the qualities we require in our supervisors, whether we promote internally or hire externally. Greg will cover these topics and more in our upcoming webinar.

Our CEO/Founder of Workforce Consultants will be our speaker, Greg Wilson.

Some of the topics that will be covered:

- Defining the role of a supervisor
- Building trust with your team
- Setting up supervisors for success
- Rewards and accountability
- Effective communication
- Planning and delegation
