

CALIFORNIA-FOCUSED HR FIRM

Certified Experts

WC
WORKFORCE
CONSULTANTS

Our blended team approach led by our Certified HR Professionals with Expert OSHA Consultants and Licensed Employment Attorneys will reduce your employment compliance risks at affordable partnership rates and with more long-term resources than any Law Firm or Consulting Firm in California. We provide custom programs that fit your organization's culture and operations. We deliver hands-on, on-site partnerships and we will manage the compliance programs for you.

Expertise and Experience

Our consultants are certified HR professionals averaging 20 years of real-world HR experience. We take away the guess work and the need to search online for HR answers.

Direct Business Impact

Our clients can immediately eliminate cost of outside attorney counsel, or other high-priced specialists, such as payroll administrators and recruiters.

Value of Time

Our consultant team of experts will perform essential core HR services. Hands-on and on-site. Allows your business leaders to focus on business operations, sales and revenue.
